3. Matters Arising: M Davies circulated the project plan and proposal to all members for their review.

4. To update Project Proposal and Plan:

- Possible funding is available from the Partnership scheme from Norfolk County Council.
- M Davies reported that the Parish Council had been updated and are in support to this plan.
- It was highlighted that the land suggested for use of the footpath could be owned by 4 different land owners (Salamanca Farm, Kidner Farm, Adrian King and Derek Bales). Questions to be raised “would the land owners support the footpath?” “Gift or sell the land?”.
- The position of the path would be best suited to the left-hand side heading to Upper Stoke from Stoke Holy Cross (North Side).
- Further questions were highlighted; - Is planning permission required? Who will carry out the maintenance of the trod path? Would fencing be required between the path and field?

5. To update site visit with County Councillor V Thomson: M Davies reported that he attended a positive meeting with County Cllr V Thomson who he met on site to view the positioning of the proposed footpath. He was supportive of the project and plan and in addition mentioned the funding for the Partnership Scheme.
